its authorized strength of 38 MiJ-15s. A fighter division headquarters

Approved For Release 2006/08/08: CIA-RDP82-00457R011600400003-0

25X1

its authorized strength of 38 Min-15s. A righter division headquarters with possibly four MiG-15s is also stationed in wittstock.

Gomment. Bombing was probably practiced by units of the Forthern Dar Liv which conducted such practices over the troop training grounds between Wittstock and Laers during the preceding year. The same observations were previously reported.

25X1
This is the first report on night bombing.
